

CAM KEYSER

ABOUT ME

9 years of web development experience, specializing in both front-end and back-end development. Experienced in collaborating with merchants, business owners, and direct clients to deliver customized, high-quality web solutions.

WORK EXPERIENCE

2022 - 2024

R&R Partners

- Full Stack Developer responsible for managing and maintaining several client websites.
- Contributed to high-profile projects for well-known clients, including Paramount, Boeing, Nickelodeon, Parents Empowered, and various Las Vegas-based companies.
- Collaborated with teams from different areas to design and implement solutions that aligned with client needs.

2020 - 2022

Oozle Media

- Built 35+ WordPress-based websites utilizing Advanced Custom Fields.
- Maintained all new and previously built websites.
- Performed hosting migrations.
- Optimized websites to meet performance compliance (e.g., Core Web Vitals).

2019 - 2020

Nfinite Sites

- Design, develop, and maintain several small business websites.
- Implement SEO and marketing campaigns.

2016 - 2019

Business Promotion

- Built and maintained custom websites for a large number of clients (100+).
- Assisted in building custom dashboards for various departments in the company (e.g., Retention, Sales, Team Stat Dashboards, etc.).
- Collaborated directly with business owners when making changes or when building a new site.
